SUBJECT.—Terms and conditions governing the issuance of import licences financed under International Development Association Credit No. 97 IN.

No. 139-ITC(PN)/68.—Attention is invited to the Ministry of Commerce Public Notice No. 23-ITC(PN)/67 dated 21st March, 1967, regarding terms and conditions applicable to import licences issued under the International Development Association Credit No. 97 IN (4th IDA Credit).

2. According to condition V relating to payment and documentation, all payments against licences issued under the 4th IDA Credit, No. 97 IN had to be completed by the 30th June, 1968.

3. The position in this regard has been reviewed and it has been decided that in cases where the initial and the extended validity period of licences is beyond 30th June, 1968, the date for completion of payments against such licences should be deemed to have been extended to forty-five days (30 days grace period for shipment plus another 15 days for payment) after the date of expiry of the licences or 15th May, 1969, whichever is earlier. No formal amendment of licences to this effect is necessary. If, however, the importer wants to avail himself of any credit facilities offered by the suppliers, he could do so provided:—

- (i) The supplier is agreeable to extend the credit facility without charging the importer interest for this accommodation either directly or indirectly;
- (ii) The period of credit does not extend beyond 90 days from the date of shipment; and
- (iii) All payments are completed by the terminal date of payment determined in the manner indicated above.

4. In cases, where the initial and the extended validity period of licences, had expired in June, 1968, and payments had not been completed by 30th June, 1968, the forty-five days period indicated in para 3 above will be allowed in such cases also, without any formal amendment of import licences.

P. D. KASBEKAR,
Chief Controller of Imports and Exports.
